These are change orders from YT asks that were approved onsite...

Astound also has yet to receive 2nd payment which I know we have on record as having paid...is there any tracking info I can get them ?

PO 3336 only had a remaining PMT of \$189,776. Are these for the PO's that were made during the break? Did you provide those PO's to astound? Or are these last second change orders that you're telling us about now?

Hi Dustin and Jason,

Huge congrats on the reveal last night! It was incredible to witness the excitement building throughout the reveal and hear all of the positive feedback.

I have attached all of the invoices for the change orders that were approved on Monday night. All of these costs were out of pocket immediate expenses for ASTOUND and we need to recoup these this week. We ask that all payment be processed and received by this Friday. Please let me know if there's anything else we can do to help you push these through for payment.

I will also be sending over shortly the quote for keeping the majority of equipment for the Ride and Drive. If the quote is not approved we will continue with the strike this evening.

Thanks,  
Jodi
